For detailed information please check with your travel agent.

Railway

German railway information → www.bahn.de → click on ENGLISH

But it may make sense to fly to Berlin and take the train to Riesa – money-wise and – off course Berlin is a booming city and worth to see ☺ the price is app. 40 – 50 EURO one way – 2nd class.

The train station Schönefeld is situated directly at the airport – slightly lesser price.

Tegel Airport is connected to Berlin Central Station (new) by airport busses. Very easy!

But if you are enough people the shuttle by minibus bus to one of the Berlin Airports will be cheaper and much more convenient – the same for the bus transfer – please check this yourself.

Rental cars

You can also rent a car at the airports – many major rental companies do have counters. Please check with the rental company through the internet. It is very easy to use the German Autobahn (motorway) and country road from Berlin to Riesa.
