

17. Riesa Dancesport Festival 2013

Championships - Weltmeisterschaften / Cups

03.06.2013

Accommodation

There are several hotels and accommodation in the region around the Saxonian dance sport city of Riesa. Some of them are in Riesa, Meissen, Oschatz and some are somewhere in the beautiful region. Many are connected with the wonderful event hall **erdgas arena** by public transport others need transfers.

The roads in Germany are top so it does not matter for teams travelling with their own busses or cars where they are accommodated by the FVG Riesa. There is a large free parking area in front of the hall sufficient for more than 100 busses.

For all participants who travel by air (arriving at Dresden, Leipzig, Berlin Schönefeld, Berlin Tegel) the FVG Riesa offers „Airport Shuttles“. Please refer to our information „Airport Shuttles“. These Shuttles take the guests from the airport to the **erdgas arena** for Check In and/or to the accommodation booked through the FVG Riesa.

Therefore it does not matter where the participants will be staying during the IDO World Dance sport Championships – directly in Riesa, the historical and most beautiful city of Meissen, the traditional Oschatz or different places.

To book accommodation

There are basically two ways:

1. You book through the FVG-Organization Office, Mrs. Christa Nauck or Mrs. Susan Krille at http://www.erdgasarena.de/index.php?article_id=133 – **only through the website!** Christa Nauck and Susan Krille will accommodate you and your team according to your wishes and possibilities. Please understand that they need to receive your online booking request before they can help you with accommodation. Afterwards they will get in touch with you and you will get a booking confirmation from them as quickly as possible.

By arrival please check in with Christa Nauck and Susan Krille directly at the organization office at the erdgas arena.

All accommodation payment has to be transferred to the bank account of the FVG Riesa mbH latest 3 weeks before arrival.

In case of paying at the organization office (cash or by credit card) we need to charge an additional handling fee of 3 %.

If you come by air or train we definitely advise you to book through the FVG-Riesa because the room rates includes the free shuttle transport from your accommodation to the erdgas arena and back as offered below.

⇒ [Please be aware of the Reservation Deadline and the Cancellation Policy](#)

2. You can book through internet yourself. BUT there might be a problem: the FVG-Riesa has booked many hotels and accommodation in the area since many months to guarantee the guest booking through her convenient accommodation. Teams travelling by their own buses might consider staying some distance away from the erdgas arena because they have their own transport with them. This is up to you.
