Shuttles from the accommodation to the SACHSENarena

This is for all participants, coaches, supporters/chaperones and guests <u>having booked the accommodation through the FVG-Riesa</u> (Mrs. Christa Nauck / Mr. Martin Wegener).
The fee for the shuttles will be included in their accommodation – which enables free transport to the **SACHSENarena** and back.

Dance Shuttle 1 (in the morning)
This first shuttle will bring you in time to the **SACHSENarena**, which will be about 60 minutes before the first heat starts – when the doors open.

Dance Shuttle 2 – <u>this must be checked with the FVG Riesa, in the Shuttle - Office the day before and confirmed:</u>

a) At noon from the **SACHSENarena** to the accommodation
b) And back to the **SACHSENarena,** perfect for all participants who have their rounds in the afternoon of the IDO World dance sport championships.

Dance Shuttle 3 (in the evening)
About 30 minutes after the event these buses shuttle the participants back to their accommodation.

➔ Basically all buses leave the SACHSENarena from the parking lot in front – unless differently announced.

➔ <u>Exception:</u> Saturday evening/night – at 2:30 am all shuttle-buses circulate back from the party in the "*WM – Halle*" to the accommodations or directly to the airports as arranged between you and the FVG shuttle office.

PLEASE NOTE:

Watch out for the shuttle schedule at the reception area of your hotel!
Take a look every day because there is a daily update!

Dance Shuttle 4
There are many possibilities to bring you or your dancers from the **SACHSENarena** to the accommodation or from the accommodation to the **SACHSENarena.**
If you need extra shuttle please contact the FVG (Mrs. Sarah Lippert or Mrs. Maria Gierth from the shuttle office) as early as possible. The FVG will do her best to help and transport you. There are numerous busses and cars circulating to and from the **SACHSENarena** and/or the airports each day all the time. If you tell us, we can help!

But we need your information as early as possible.
