

Dear Michael,

Thank you again for your great support and your availability through this project!

It was a pleasure for all of us to work with you and to make this opportunity for our city a huge success!

I receive the Buddelschiff which reminds me each day of the most beautiful city of the world!

I wish you an excellent Summer!

I hope one of your next trips will lead you to Nantes! If so, let me know...

All the best,

André Sobczak
